

## Press Release

MRO Asia-Pacific, Singapore, November 7<sup>th</sup>, 2018

### **Malaysia Airlines Berhad and Revima sign an A330 enhanced landing gear support agreement**

**Malaysia Airlines Berhad (MAB) entered into a maintenance agreement with Revima for the support of the airline's A330 enhanced landing gears.**

Through this agreement, Revima, a world leader in landing gear MRO, will provide repair and overhaul services for 19 of MAB's A330 aircraft. Services cover landing gears and related components from 2019 to 2024, with an exchange solution. The overhauls will be carried out at Revima's main facility located in Normandy, France. Revima will also provide engineering and on-site support to MAB.

"The restructuring of Malaysia Airlines has led to a remarkable turnaround and Revima is proud of being selected by MAB as the MRO service provider for this multi-year landing gear maintenance support program." commented Olivier Legrand, CEO of Revima.
