

## Press Release

MRO Asia Pacific, Singapore, September 19th, 2022

### **Luxair awards B737NG Landing Gear MRO contract to Revima Asia Pacific**

**Revima Asia Pacific has entered into a 2-year agreement with Luxair for its B737NG Landing Gear MRO needs. The first overhaul is scheduled in September 2022 at Revima's brand new state-of-the-art 11,000 square meter facility south of Bangkok, Thailand.**

Ramp-up of operations is now accelerating and Revima is ready to support a growing number of customers in the region with high value quality and service.

Remy Maitam, Revima Asia Pacific's President, said, "Revima Asia Pacific is excited to support Luxair on their B737NG landing gear overhaul program. We will draw on our experienced staff and extensive in-house capabilities to deliver on our commitments to Luxair".

Christoph Blaha, VP Technical Services, Luxair, commented, "We are pleased to partner with Revima on this B737 landing gear overhaul program which aligns with Luxair's commitment to always secure highest standards of quality for our aircraft maintenance operations. We look forward to a fruitful collaboration".

**More about Luxair** – [www.luxair.lu](http://www.luxair.lu)

Luxair is a key and responsible player as well as a major employer in the Grand Duchy of Luxembourg and the surrounding Greater Region. The company has been active for over 50 years in four aviation-related activities: passenger air transport, tour operating, airport services and air freight handling. Luxair is the flag carrier airline of Luxembourg with its headquarters and homebase at Luxembourg Findel Airport in Sandweiler. It operates scheduled services to destinations in Europe, North Africa, the Mediterranean and Middle East with additional charter and seasonal services. It is Luxembourg's only passenger-carrying Airline.
