The parts listed in this Appendix below are internal parts belonging to APU 's listed in the APU Capability main list FOR-D-030. All Part Number listed are maintained with the same Approved data as the APU referenced hereafter in the column "Application" and release to service under the EASA rating B3.
This Appendix is only available to show evidence to other Civil Aviation Authority that the PN listed below are approved by EASA.

Les pièces listées dans cette Annexe ci-dessous sont des pièces internes appartenant aux APU de la liste principale FOR-D-030. Tous les Part Numbers listés sont maintenus avec les mêmes données approuvées que les APU référencés dans la colonne "Application" et sont remis en service sous la classe EASA B3.
Cette annexe est disponible uniquement pour démontrer aux autres Autorités de l'Aviation Civile que les PN listés sont approuvés par l'EASA.
